

益通宝 (Yitongbao) 通经络手环：

核心技术与全方位调理方案

益通宝通经络手环结合了传统中医经络理论与前沿物理学，通过定向光量子共振技术 (PQRT) 针对人体微循环和神经传导进行深层干预。本产品不仅是保健饰品，更是一个 24 小时运行的便携式能量场。

一、核心技术原理：通、净、衡

- **深度疏通 (Clear):** 采用 4-14 微米波长的光量子能（生命光波），其高频震动能穿透皮肤表层，辅助刺激一氧化氮 (NO) 释放，舒张血管并激活受阻经络。
- **血液净化 (Clean):** 通过特定量子共振频率，物理剥离并清除血管壁上的重金属、血栓、血脂、乳酸等杂质，降低血液黏稠度并优化红细胞结构。
- **能量平衡 (Balance):** 融合电气石、钛金属、锗石三大稀有矿物，协助去除身体静电，平衡自主神经系统，并显著增加身体的平衡度与姿态稳定性。

二、针对性功效与技术支持表

核心方程式 / Core Formulas

经络修复 (Meridian Repair):

1. PQRT 定向光量子共振 + 穴位渗透 \Rightarrow 激活一氧化氮 (NO) \rightarrow 消除手麻痹 / 弹弓手

血液优化 (Blood Optimization):

2. 量子频率 + 稀有矿物 \Rightarrow 还原血粒子 - 血液杂质 \rightarrow 改善手脚没力 / 提升体能

机能平衡 (System Balance):

3. 生命光波 (4-14 μm) + 自主神经调节 \Rightarrow 平衡电场 \rightarrow 深度助眠 / 缓解关节疼痛

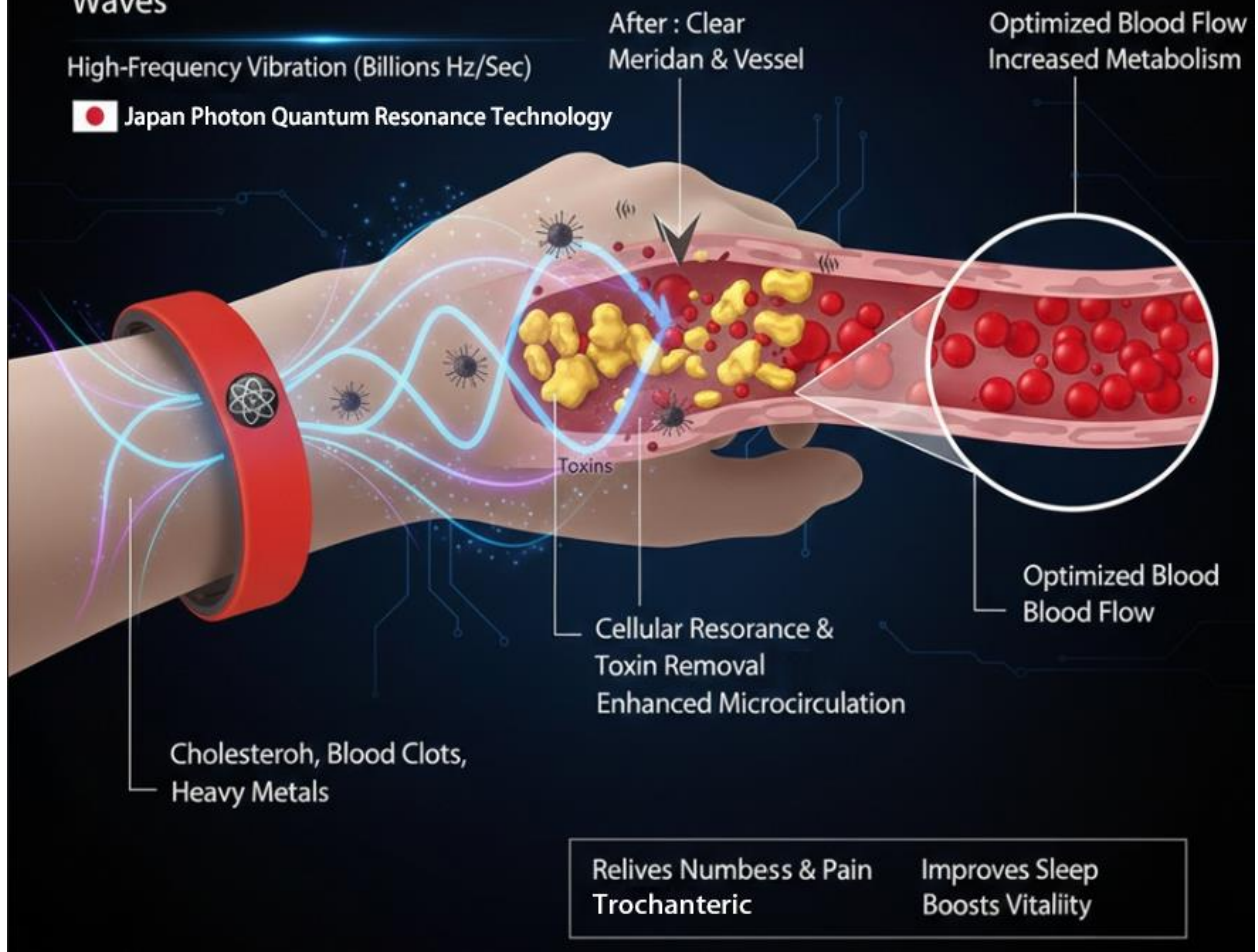

总结: 益通宝手环通过“通、净、衡”三大路径改善人体微循环和血液品质，针对现代人常见的疼痛、麻木及亚健康状态提供了安全高效的创新解决方案。

Yitongbao Meridian-Activating Bracelet

4-14 μ m Quantum Energy Waves

High-Frequency Vibration (Billions Hz/Sec)

 Japan Photon Quantum Resonance Technology

Yitongbao Meridian-Activating Bracelet:

Core Technology and Comprehensive Conditioning Solution

Yitongbao Meridian-Activating Bracelet combines Traditional Chinese meridian theory with cutting-edge physics. Through **Photon Quantum Resonance Technology (PQRT)**, it performs deep intervention on human microcirculation and nerve conduction. This product is not merely a piece of healthcare jewelry, but a portable energy field that operates 24 hours a day.

1. Core Technology Principles: Clear, Clean, Balance

- **Clear (Depth Meridian Clearing):** Utilizing 4-14 micron quantum energy (Light of Life), its high-frequency vibrations penetrate the skin to stimulate Nitric Oxide (NO) release, dilating vessels and activating blocked meridians.
- **Clean (Blood Purification):** Through specific quantum resonance frequencies, it physically strips and removes heavy metals, clots, lipids, and lactic acid from vessel walls, reducing blood viscosity and optimizing red blood cell structure.
- **Balance (Energy Equilibrium):** Integrating Tourmaline, Titanium, and Germanium to eliminate static electricity, balance the autonomic nervous system, and significantly enhance physical stability and posture.

2. Specific Efficacy & Technical Support

Core Efficacy	Target Group	PQRT Energy Field Support
Eliminate Numbness	Limb numbness, trigger finger, peripheral circulation disorders	Billions of vibrations per second act on wrist acupoints to rapidly clear blocked nerve signals and blood flow.
Anti-inflammatory & Pain Relief	Joint inflammation/pain, stiff neck/shoulders, backaches	Enhances circulation and oxygen levels in damaged areas, accelerating inflammatory factor metabolism to relieve muscle stiffness.

Core Efficacy	Target Group	PQRT Energy Field Support
Deep Sleep Repair	Chronic insomnia, anxiety, poor sleep quality	Relaxes muscles via the vagus nerve and regulates the bioelectric field to help the brain exit anxiety for natural sleep.
Boost Vitality	Weak limbs, low energy, easy fatigue	Optimizes blood oxygen transport and expels metabolic waste to ensure muscles and organs receive ample nutrients.
Brain Oxygenation	Headaches, dizziness, lack of concentration	Strengthens neck and systemic microcirculation, improving blood perfusion to clear "brain fog" and lethargy.

3. Product Advantages

- **Instant Operation:** Activates energy circulation within 15 seconds of wearing.
- **24/7 Therapy:** Non-invasive, continuous meridian clearing all day long.
