OXFO Tribalance Energetic Stick

Tourmaline stone

- Releases far infrared rays, promoting blood circulation.
- Generates negative ions to enhance cell vitality.
- Improves metabolism and boosts immunity.

Maifanshi stone

- Rich in minerals, balances trace elements in the body.
- Has adsorption properties, helping to purify toxins in the body.
- Helps regulate gastrointestinal functions and aids digestion.

Far infrared stone

- Emits far infrared rays with deep warming effects to promote blood circulation.
- Relieves fatigue and boosts energy levels.
- Activates cells and speeds up metabolism.

Nano silver powder

- Strong antibacterial properties, helps inhibit harmful microorganisms.
- Promotes wound healing and enhances immune functions.
- Improves the body's microecological environment.

Calcium ion

- Maintains bone health and prevents osteoporosis.
- Participates in nerve transmission, helping to stabilize blood pressure.
- Promotes muscle contraction and prevents cramps.

Pi stone

- Reduces water molecule clusters to improve absorption by the body.
- Enhances cell activity and boosts antioxidant capacity.
- Helps regulate physiological balance and improves bodily functions.

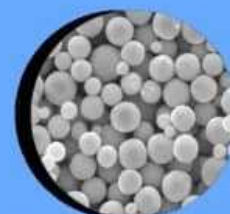

Antioxidant (ORP): -400 → Powerful oxidation-reduction potential to neutralize free radicals
Hydrogen Ion Concentration: 700-800 ppb → Rich in molecular hydrogen for cellular health
Alkaline pH: 7.5-9.0 → Balanced alkalinity to support detoxification

OXFO Tribalance Energetic Stick

Tourmaline stone (电气石)

- 释放远红外线，促进血液循环
- 产生负离子，有助于提高细胞活力
- 改善新陈代谢，增强免疫力

Nano silver powder (纳米银粉)

- 强效抗菌，有助于抑制有害微生物
- 促进伤口愈合，增强免疫功能
- 有助于改善体内微生态环境

Maifanshi stone (麦饭石)

- 富含多种矿物质，可调节体内微量元素平衡
- 具有吸附性，帮助净化体内毒素
- 有助于调节胃肠功能，促进消化

Calcium ion (钙离子/方解石)

- 维持骨骼健康，预防骨质疏松
- 参与神经传导，帮助稳定血压
- 促进肌肉收缩，防止抽筋

- 释放远红外线，深层温热作用促进血液循环
- 缓解疲劳，提升能量水平
- 促进细胞活性，加快新陈代谢

Infrared stone (远红外石)

- 促进水分子团簇变小，提高人体吸收率
- 增强细胞活性，提升抗氧化能力
- 有助于调节生理平衡，提高身体机能

Pi stone (π石)
